Hi Dale,

Happy Friday. See attached marked up and clean copy. I thought it would more efficient to do a rewrite. Julia and Ariadne approved my updated draft. I also had Wendel Askew (CRFLO grants/finance attorney) review and approve our discussion of the grants issue. I think this updated draft reflects our discussion with Lilian.

As always, let me know if you have any questions or concerns. 564-3357.

Best,

Adam

I am not happy with this so would appreciate any thoughts. I want to be brief but not so brief that he feels as if we are dismissing his questions. I know we had some meetings on this in the past but I couldn't find anything reflecting our thinking at the time.
